Dear Representative,

I am writing in relation to a third party request to revoke registration of trade marks 2044953 and 2044957. Notices of intention to revoke registrations were sent on 11 July 2022 by Deputy Registrar John Braybrooks.

In consultation with Mr Braybrooks I have reassessed all the material provided by both Marshall Marks in requesting the revocations, and also submissions in response from your client in support of maintaining the registrations. I note that these submissions were lodged with IP Australia by law firm SBA Law.

Following this reassessment, there is insufficient conclusive evidence/information to warrant revocation of registration and we will not be proceeding with that action.

If you would like to discuss this matter further, please contact me on the details below.

Yours sincerely,

Graham Brown
